

BEER TASTING

FOLLOWING THE TRAIL OF LIQUID GOLD

At Zlata ladjica, in a cosy atmosphere, we introduce you to the hop flavours typical of our country. You will have the opportunity to taste common and less common examples of the brews that we all love so much, and for which we use one lovely word 'pivo'.

It's always a good idea to make a plan before travelling.

With basic tasting, you will get to know the typical representatives of the following categories of beer.
